CHILDREN & YOUNG PEOPLE'S BURSARY APPLICATION INFORMATION

1. Please read the 'bursary info' section of the Bursary leaflet to make sure you can apply.
2. When applying, please use the official Bursary application form.
3. If you are applying for equipment, a quotation showing prices must be attached to the application form.
4. If you are applying for conferences or courses, a programme showing costs must be attached to the application form.
5. The individual or group applying must demonstrate they have approached other appropriate bodies for financial support e.g. local church/circuit/charitable trusts.
6. An application **must** be submitted **before** equipment is purchased or conference or courses are booked.
7. Applications are accepted at any time of the year. However there is an expectation that applications are submitted at least **ONE MONTH** before the event or purchase deadline. This is to ensure it can be processed in good time and that if needed, applicants can be contacted for further details.
8. Bursaries are usually between 25% and 75% of the total cost, balanced against other funds raised. This may be extended up to 100% in the case of young people attending conferences and courses.
9. While noting the above criteria, each application will be judged on its own merit.
