

DARLINGTON AND TEESDALE METHODIST CIRCUIT JOB VACANCY

YOUTH WORK PIONEER

About the Role

Darlington and Teesdale Methodist Circuit are seeking to appoint a **passionate and experienced** Youth Work professional to lead our work in re-seeding Youth Work in our Circuit. This permanent, full-time role, to which the Circuit has made an *initial* five-year commitment, is Circuit-wide, but locally based. The person appointed will help lead the development of a Circuit-led New Places for New People (NPNP) initiative for and with young people within the Circuit, which we anticipate will lead to the upscaling of this area of ministry in the medium term.

Is this you?

We are seeking a collaborative self-starter who is able to work in strategically missional ways in order to reach and disciple young people, in enabling them to flourish in every part of their lives. You are likely to hold a degree-level qualification in Theology, or a subject related to this area of ministry. Ideally, this might be a professionally-qualifying JNC award. Applicants not holding a JNC, or equivalent, may still be considered.

Faith and Worship

A specific faith is an essential requirement for this role and in accordance with the Equality Act, 2010, it is an occupational requirement that the successful candidate is a practising Christian.

Working Arrangement

The post-holder will have access to office space at The Well Methodist Church, 164 North Road, Darlington, DL1 2EL. However, travel across the Circuit will be required and the post-holder must have access to their own transport. Some evening and weekend work will be required. At least one day will be free from responsibility each week.
